# Junior Show Association

Post Office Box 379  
Milton-Freewater, Oregon 97862

Dear friend of youth and agriculture,

We want to thank you for your past interest and support of the Milton-Freewater Junior Show. This annual 4-H and FFA event involves more than 500 young people from Umatilla and Walla Walla counties. We are totally self-supporting.

We invite you to assist with critically needed support directed at improvements in the Towslee Pavilion. This building is used heavily by our community. To prepare this facility for the 2009 Junior Show, we must meet current health and safety requirements.

We must install new water filtration equipment and make improvements to the electrical, plumbing and sanitation service. Your immediate assistance to complete this project is needed to be ready for this year's event in May. Donated labor will be used for much of the project, but some licensed installation activity is required. We estimate that project material costs will be in excess of \$25,000.

Your donation, regardless of size, is needed. We encourage you to take a moment to dedicate your support to the M-F Junior Show and mail us a check.

Please indicate the amount you would like to donate and note if you would like to be included in future fund-raising efforts to support the Junior Show.

Please make your check payable to M-F Junior Show. Return to Chris Wallace , treasurer, P.O. Box 379, Milton-Freewater, Ore., 97862.

Thank you for your support,

M-F Junior Show Board

P.S. Your donation is tax deductible and will result in a great Junior Show with kitchen facilities that are safe, clean and meet standards.
