TELL US MORE:

1. Share why this project was created. Include where your concept (idea/inspiration) came from (imagination, observation, instruction, or reference item such as photos, website, video, book, etc.)
2. Explain steps used to make this item.
3. What tools or materials were used to make this item?
4. What skills did you learn and improve on?
5. If applicable, what are the care or cleaning instructions for your project?
